

CORRECTION TO TODAY'S NOTICE

DFN Members,

I just wanted to clear up some confusion in today's Notice regarding the extension to vote. During our Engagement sessions, we did state the purpose:

Purpose of Sessions

- By vote, to
 - "Confirm our Custom will change to governance by Hereditary Chiefs supported by Family Leadership Council";
 - Identify Hereditary Chiefs and appoint
 - Identify Family Leaders and appoint
 - All positions will be interim until a governance code is developed and ratified within one year

However, in our haste to get the *Notice of Extension* out, the wording used on the bottom is misleading. Please note the language from the Sessions is correct, and the below messaging should not have said, "However, we must also, through engagement with members following the vote:"

The main part was the Vote Extension to June 30, 2021, at 5:00 pm. Any questions, please email me at dfnvote2021@gmail.com

VOTE ON-LINE - 26 JUNE to 30 JUNE, 2021

Hereditary Chiefs of the Da'naxda'xw First Nation have directed that the Smartballot vote be extended to 5:00 pm PST on Wednesday June 30th, 2021.
For more information, please go to:
<https://www.smartballot.ca/organizations/dfn>

PURPOSE OF THE VOTING

There is one item to vote on:

Confirm that we intend that our system will change to Governance by Hereditary Chiefs supported by a Family Leadership Council;

However, we must also, through engagement with members following the vote:

Identify the Hereditary Chiefs;
Identify and appoint the Family Leaders

My sincere apologies for this confusion, Jamie Sterritt
